INDEX.

	Page.		Page.
Abdominal Affections, diagnosis and treatment of	614	Bile, coloring matter of	438
Abstinence from drinks in treatment of diseases.	375	Black-Draughts—a purgative.	763
Acidity of stomach.	699	Blood-corpusele,	110
Acid rain,	126	Blood, diseases of.	349
Aconitum napellus, therapeutical action of	247	Blood, effects of food on.	117
—Address Editors S. M. & S. Journal,	767	Blood, effects of sulph. quinine on.	696
Air in the veins, treatment of.	125	Blood, mode of diagnosing buffy	435
Air-passages, foreign bodies in	521	Blood, new mode of analysing.	244
Albuminuria, its causes.	437	Blood, on the cause of circulation of	416
Albuminuria, treatment of.	119	Bolus, anti-syphilitic.	573
Amenorrhœa and dysmenorrhœa, utility of electro-galvanism in	597	Bone and calculus in female bladder	587
Aminonia, carbonate, in scarlatina,	248	Bread, unfermented.	627
Amputation, statistics of	465	Bronchitis, alum in.	249
An Acknowledgment, by P. F. Eve,	638	Bronchitis, chronic capillary	506
Anæmic Murmurs.	303	Bronchocele.	61
Aneurism, cured by compression,	58	Burns, lunar caustic in	377
Aneurism, spontaneously cured,	649	Burns, treatment of.	314
Aneurism, treated by electro-galvanic action.	185	Cæsarian operation, successful.	316
Anica montana, new uses.	245	Campbell, Dr H. F. on Eczema, Pityriasis, &c.	577
Antagonism of ague and pulmonary consumption.	504	Campbell, Dr. H. F. on Lupus, with cases	449
Antagonism of Phthisis and Intermittent Fever.	121	Cancer, statistical researches on	257
Antidotes to Poison, Lecture on	428	Cancerous ulcer, nitrate of lead in.	188
Antiphlogistic, internal solution	763	Castor Oil, prescription of.	319
Aperient Biscuits,	318	Carpenter's Elements of Physiology,	427
Aphæ, sulphuric acid in	694	Carter, Dr. T. W. on hebdomadal intermittent fever.	461
Arachnitis, or acute Hydrocephalus,	410	Carter, Dr. T. W. on the morbid effects of Tight Lacing.	405
Arresting bleeding from leech bites,	124	Cataract, treatment of.	694
Arsenic, absence of, in the Fœtus,	760	Catheters, injurious effects of the eyes	251
Arsenic in Intermittent Fevers,	55	Cauterization of the Pharynx	57
Arsenic found in a fœtus.	695	Cerebral circulation, disorders of.	663
Arteries, trunks and branches, experiments on.	330	Cerebro-spinal fluid, its use	631
Arteries, wounded	102	Chapman, Prof. compendium of Lectures on Medicine.	344
Asthma, ammonia as a remedy in.	569	Chemistry, by George Fownes	49
Aural diseases, statistical summary of	38	Chilblains, Devergie's ointment for	379
Ayer's comp. ch. Pectoral.	255	Children, diseases of, by Coley	691
Baker, Dr. E. L. on Hog's Lard in obstruction of the bowels.	74	Children, diseases of.	470
Baker, Dr. E. L. on Onanism.	335	Children, mortality of male	567
Barr, Dr. W. Franklin, cases in Obstetric practice,	145	Children, opiates to.	568
Barr, Dr. W. F. on dysmenorrhœa,	519	Children, precocious	504
Bed-sores, means of preventing,	699	Child with a Tail.	759
		Chlorosis, citrate of iron and sulphate quinine in	440
		Chlorotic Pills, Blaud, how best made	447
		Chlorotic Pills, Blaud.	380
		Cholera, Asiatic, treatment of.	247

	Page.		Page.
Cod liver oil in laryngismus stridulus	60	Dysmenorrhœa	519
Cod liver oil in strumous affections,	126	Dysentery, creosote in	186
Cold Cataplasms, on employment of	434	Dyspepsia, treatment of	179
Cold water treatment, death from	698	Eau Brocchieri	189
College of Dental Surgery, Baltimore	639	Eau Brocchieri, composition of	378
Colic, bilious, treatment of	181	Eczema, cases of	577
Copaiba in the cure of Gonorrhœa,	124	Eczema, ointment for	379
Copaiba for injections	442	Electricity, therapeutic application of	51
Constipation, its treatment	293	Electrical girl	309
Constipation	33	Electrical girl again	383
Constipation, treatment of nervous	695	Electro-magnetism as a remedial a-	703
Corpus Callosum, absence of	693	gent	703
Coryza, chronic, iodide of potass. in	188	Electro-physiological researches	112
Cox, Dr. J. R. on Hippocrates and	127	Emasculation, case of self	444
Galen	127	Epidermis, its growth and develop-	114
Cranium, compound fracture, &c	649	ment	114
Croup	120	Epistaxis, compression of carotid in	572
Croup, tracheotomy in	313	Epoch of elimination of metallic sub-	375
Croup, treated by sulphate of copper,	246	stances from the system	375
Cunningham, Dr. S. B. on the local-	456	Ergot of rye, conditions for its em-	316
ity, climate and diseases of East	456	ployment	316
Tennessee	456	Ergot of rye, effects on the child	191
Davis, Dr. projector of the national	447	Erysipelas, epidemic	566
medical convention	447	Erysipelas, nitrate of silver in	762
Deafness, complete from fracture of	694	Ether, sulphuric, by friction to mouth	635
cranium	694	and fauces	635
Decedens noni nerve, anomaly of	309	Eve, Dr. P. F. Case of bone and cal-	587
Deglutition excited by dashing cold	703	culus in bladder	587
water in the face	703	Eve, Dr. P. F. on compound fracture	649
Diabetes mellitus, or Glucosuria	672	of the cranium	649
Diabetes mellitus, treated by balsam	635	Eve, Dr. P. F. on foreign bodies in	521
of Peru	635	the air-passages	521
Diagnosis of Gout and Rheumatism,	312	Eve, Dr. P. F. on gun-shot wound	15
Diarrhœa, obstinate	249	Eve, Dr. P. F. on lithotripsy and litho-	65
Diarrhœa of Infants	620	tripsy	65
Diarrhœa, with emaciation	583	Eve, Dr. P. F. on probable absence	724
Digitalis, method of ascertaining its	215	of uterus	724
activity	215	Eve, Dr. P. F. on strangulated hernia	338
Disease, causes of	147	of omentum	338
Diseases in which opiates are indi-	310	Eve, Dr. P. F. on statistics of ampu-	465
cated	310	tation	465
Diseases of the skin, by Cazenave	49	Exanthemic liniment	315
and Schedel	49	Experiments illustrating the seat of	19
Dislocation of both femurs simulta-	693	volition in the Alligator	19
neously	693	Eye, diseases of, use of turpentine in	571
Disinfection of bodies for anatomical	378	Ferruginous pill of mercury	379
purposes	378	Fever, congestive	563
Dissecting rooms, disinfection of	445	Fever, Int. curative medication of	495
Dissecting rooms, disinfecting of	633	Fever, Int. electro-magnetism in	697
Dissector, United States, &c	692	Fever, hebdomadal int., use of sulph.	461
Dohinenteritis, laudanum in its last	188	quinine, &c., in	461
stages	188	Fever, remittent	761
Tropical affections treated with sug-	56	ar	761
ar	56	Fevers, remittent, typhoid and typhus,	91
Dugas, Dr. L. A. Extirpation of schir-	72	distinctive characters	91
rous tumours	72	Fevers, remittent and intermittent,	524
Dugas, Dr. L. A. On tumours of the	513	sulph. quinine in	524
neck, with cases	513	Fever, remarks on	169
Dugas, Dr. L. A. Pathological anat-	129	Fever, sleeplessness during	248
omy of the liver	129	Fever, typhoid, nourishing diet in	122

	Page.		Page.
Fever, typhoid	624	Hog's lard again successfully used in obstruction of the bowels	11
Fever, yellow	76	Hog's lard successfully used in ob- structed bowels	74
Fish, poisonous, on the human frame,	730	Hook, Dr. E. B. on hog's lard in ob- struction of the bowels	11
Formulæ, anthelmintic	192	Hooping cough, nitrate of silver in ..	570
Fistula, vesico-vaginal	187	Hooping cough, tar-vapour in	249
Foot, injury of	517	Hooping cough	686
Formulæ, new	702	Honey bees, infusion of	701
Fracture, diagnosis of	184	Hughes' auscultation	427
Fracture of fibula	571	Hydrocele	60
Fracture of the radius	626	Hydrocephaly on the blood	311
Fungus Hæmatodes	142	Hydrocephalus, iodide of potassium in	440
Garvin, Dr. I. P. on morbid sensibili- ty of the stomach	705	Hydrocele cured by electricity	125
Gastralgia, subnitrate of bismuth in ..	762	Hydrocele, cure for	638
Glanders and farcy in the human sub- ject	191	Hydrocele treated with alcoholic in- jections	694
Gland in tip of tongue	244	Imagination in cure of disease	310
Glossitis, acute case of	333	Indian diseases and remedies	176
Goitre, cured by sub-cutaneous liga- ture	764	Inflammation, chronic articular	695
Gonorrhœa, ointment of	766	Inflammation, phlegmonous, abor- tive treatment of	219
Gonorrhœa, prescription for	510	Insanity, its symptoms, diagnosis and treatment	297
Gæene, Dr. A. B. on tumor of mam- ma, spontaneously cured	721	Interments, premature	445
Gums, epidemic ulceration of	221	Intermittent fever complicated with purpura hemorrhagica	13
Gums, scarifications of	52	Iodide of potassium, adulteration of ..	60
Gun-shot wound	15	Iodine, adulteration of	318
Hæmoptysis, fumes of belladonna in,	250	Iodine, endermic use of	572
Half-Yearly Abstract, by Ranking ..	308	Iodine for fragments of iron on the cornea	187
Hamilton, Dr. Thos. on acute glos- sitis	333	Iodine used to distinguish arsenical from antimonial stains	252
Hammond, Dr. J. F. case of triplets,	585	Ipecacuanha in emetic doses, &c. ...	682
Harden, Dr. J. M. B. on cases con- nected with pregnancy and child- bed	385	Isopathy: or parallelism of diseases, " " "	652
Harden, Dr. J. M. B. on the areas of arteries	330	" " "	737
Hard, Dr. D. B. W. on the treatment of hernia	641	Iris, its muscularity	728
Hare-lip, early operation for	443	Iron, protiodide of	703
Hare-lip, operation for	252	Itch, ointment for	191
Headache, accompanied by alkaline urine	246	Jaundice, discoloration of palate in	506
Headache	122	Johnson, Dr. Wm. J. on Pneumonia	193
Heart, puncture of	250	Joints, their vascular fringes	732
Hæmorrhage from ext. teeth, mode of arresting	766	Kermes mineral in diseases of the respiratory organs	438
Hæmoptysis and menorrhagia, treat- ed by tartrate of iron	376	Kidneys, both on the same side of the spinal column	118
Hermaphroditism	50	Kirby's entomology	428
Hernia, belladonna in strangulated ..	378	Lead Lotion	766
Hernia, cold douche with taxis	189	Leak, Dr. W. W. on Intermittent Fever complicated with Purpura Hæmorrhagica	13
Hernia, strangulated inguinal of the omentum	338	LeConte, Dr. appointed professor ..	576
Hernia, strangulated, morphine in ..	702		
Hernia, treatment of	641		
Hernia, umbilical, treated with ad- hesive bands	56		

	Page.		Page.
LeConte, Dr. J. on cancer.	257	Neuralgia, ext. tobacco in.	250
LeConte, Dr. J. notice of new metals,	117	Nitrate of Potash, over dose of.	762
Leuchorrhœa, treatment of.	698	Nitrogen, proportion contained in al- imentary substances.	489
Letter of Dr. Harden, on Botany, &c.	127	Nocturnal pollutions, treatment of. ...	763
Letter of Dr. LeConte, on the Alligator	127		
Lithotrity and Lithotripsy in the U.S.	65	Obituary of Dr. Baber.	319
Lithotomy, new operation for.	507	Obituary of Dr. James Johnson.	64
Liver, diseases of, by Dr. Budd.	241	Obstetrics, by Churchill.	243
Liver, pathological anatomy of.	129	Obstetric practice, cases of.	145
Liver, secretory apparatus and func- tion.	374	Odontalgia, remedy for.	253
Little, Dr. R. E. on spinal irritation, with cases.	321	Ointment, blistering in half an hour	380
Lupus exedens, treatment of.	251	Onanism, its ill effects.	335
Lupus, with cases.	449	Ophthalmia, strumous.	441
		Opium, antiphlogistic properties.	440
Magnesia calcined as an antidote to arsenic.	688	Opium in cerebral excitement.	762
Mal-practice, prosecutions for.	639		
Mal-practice, suit for.	575	Paralysis from pressure.	572
Mamma, tumor of, spontaneously cured.	721	Perspiration excessive, sulph. iron in	699
Mayes, Dr. J. A. on Diarrhœa with emaciation.	583	Pharynx, granular disease.	568
Means, Dr. Alex. on the modus oper- andi of Poisons.	1	Physical education and the preserv- ation of health.	340
Medical College of Georgia, gradu- ates of 1845.	256	Physicians, pay of.	695
Medical convention, national.	254	Pills, anodyne.	373
Medical convention, national.	380	Pityriasis.	577
Medication, endermic, extemporane- ous vesication.	572	Placenta, its structure and functions	636
Medicine, aphorisms of.	574	Placenta previa, treatment of.	766
Medicine, royal estimate of.	510	Pneumonia in children.	172
Medical department in the Army. ...	704	Pneumonia, its treatment.	193
Medical Formulary, by Ellis, &c. ...	692	Pneumonia, its differential diagnosis	302
Medical practice in Syria.	637	Poisoning by Cherry Kernels.	62
Membrana Tympani.	758	Poisoning by poppy heads.	313
Mercurial Ointment, preparation of	63	Polyæmia, thoughts on serous.	364
Mercury found in a urinary calculus	61	Polypi and ulceration, uterine.	690
Menorrhagia, nitrate of silver in.	259	Poisoning by lead shot left in a bottle	763
Meteorological Observations, by Dr. P. F. Eve—at the end of each No.		Porpoise, the blow-hole of.	726
Menstruation, its true nature, and office, &c.	231	Porriigo decalvans, lotions in.	253
Milan Flies.	63	Porriigo, Treatment by Tincture of Iodine.	373
Miller, Dr. appointed professor.	576	Pregnancy and Childbed, cases con- nected with.	385
Modus Operandi of the poison of ve- nomous reptiles, &c.	1	Pregnancy, causes of disorder in. ...	96
Morphine in odontalgia, frontal and facial neuralgias.	183	Pregnancy, extra uterine.	368
Motion of the lumbar division of the spine in birds.	727	Pregnancy, new sign of.	444
		Pregnant women, vomiting of.	700
Nævus, injections in.	314	Prize essays.	378
Nasal Fossæ, calculi of.	612	Prof. Paine's defence of the Medical profession.	320
Negro, change of color in.	733	Prolapsus Ani, extract of nux vomi- ca in.	571
New Caustic, Velpœu's.	315	Prolapsus uteri cured by excision of portion of vagina.	630
New Medical Journals.	125	Pruritus Vulvæ, treatment of.	253
New metals.	117	Puerperal state, management of. ...	570
New test for bile and sugar.	133	Purpura hemorrhagica, turpentine in	246
		Quackery and insanity.	445
		Quack advertisements by regular Doctors.	383
		Quacks, a place without.	610
		Quinia, arseniate of.	573

	Page.		Page.
Quinine, endermic application	414	Swallowing a knife	701
Quinine, sulphate and ferrocyanate of	204	Syphilis, gargle	702
Quinine, sulph., not absorbed when applied endermically	375	Syphilis, can it be communicated to the lower animals	631
Quinine, sulph., poisoning by	376	Syphilis, tertiary	442
Quinine, ferrocyanate	61	Syphilis, use of bromide of potassium in	635
Quinine, sulph., effects on the pulse, 503		Tamplin on the nature and treatment of deformities	426
Quinine, sulph., remedial powers of	557	Tape-worm expelled	187
Quinine, sulph., the use of	560	Tartar emetic, disadvantages in solution in large doses	319
Quinine, sulph., new mode of administering	634	Taxis, new method of applying of	765
Rape or violation	561	Teeth, action of sugar on	447
Respiration, mechanism of	725	Teeth, effects of camphor on	760
Rheumatism, condition of heart in	506	Teeth, stopping for	767
Rheumatism, opium treatment of	440	Temperature of man	113
Rice, culture of, removing the salt of marshes	695	Tennessee, locality, climate and diseases of east	456
Robert, Dr. W. H. on aneurism spontaneously cured	649	Tetanus, strychnine in	190
Salacine and quinine in intermittent fever	53	Tibia, chronic abscess of	610
Scabbies, treatment of	313	Tight-lacing, morbid effects of	405
Scalds, treatment of	190	Tinea favosa, the inoculability of	632
Scarlatina, belladonna as a preventive	440	Tonsils, enlarged, ext. of walnut in	57
Scarlatina, state of urinary organs in	505	Tonsils, means of arresting hæmorrhage after excision	443
Schirrous tumors, extirpation of	72	Tooth-powders	317
Scrofula, by Phyllips	567	Triples, case of	585
Scrofulous diseases, their treatment, 307		Trismus nascentium	511
Scrofula, its nature, causes, prevalence and treatment	537	Trismus nascentium, a novel treatment	448
Scrofula, new compound of chlorine, iodine and mercury	573	Trismus nascentium	431
Scrofula, treatment of	310	Truss, new	576
Scrofulous ulcers, treatment of	60	Tubercle, chemical composition of	760
Singultus, new method of arresting	506	Ulcers, anodyne prescription for	379
Skin, diseases of	481	Ulcers, mode of cure	377
Small-pox, ectrotic treatment of, by tinct. iodine	761	Ulcers of the leg, cured by oil of turpentine	765
Small-pox treated by iodine	636	Ulcers, quinine to	696
Spermorrhœa cured by pressure to the perineum	123	Urine, chemistry of	728
Spina-bifida	165	Urine, chemistry of	116
Spinal irritation, with cases	321	Uterine hemorrhage, compression of abdominal aorta in	125
Squills	63	Uterine hemorrhage, sub-carbonate of iron in	44
Statistics of medical colleges of the United States	383	Uterus, its nerves	731
Stillingia sylvatica	560	Uterus, probable absence of	724
Stomach, morbid sensibility of	705	Vapour bath, a cheap substitute	379
Strangury, new remedy for	186	Variola and vaccination, modification of	371
Supra-renal, thymus and thyroid bodies	373	Velveau, M. cases treated by	753
Surgeons, appointed by the President, 511		Venereal vegetations, treatment of	630
Surgery, Sir Benj. Brodie's	374	Venereal vegetations, treatment of	249
Surgery, by Liston and Mutter	243	Vernice caseosa, or unctuous deposit on the skin	239
Surgery, Mott's and Velpeau's, &c.	346	Voice, human, its physiology	734
Surgery, by James Miller	502	Vomiting, to produce at any time	510
Suture in divided tendons	252	Vulva, thrombus or bloody tumor of	497

	Page.		Page.
Waterman, Dr. pardoned	639	Wooten, Dr. H.V. on endermic ap- plication of sulph. quinine	414
Williamson, Dr. Wm. on Arachni- tis, or acute Hydrocephalus	410	Wooten, Dr. H. V. on the sulphate and ferrocyanate of quinia	204
Williamson, Dr. Wm. on Fungus Hæmatodes	142	Wounds, natural history and treat- ment of	617
Williamson, Dr. Wm. on injury of the foot, &c.	517
