

INDEX TO VOLUME XVI.

PAGE.	PAGE.
An Essay on the Adaptation of Climate to the Consumptive for a permanent residence, embracing an examination of the climate of certain localities of frequent resort; and also an Investigation of the degree of Adaptedness of the Pacific Climates of the United States. By William Henry Doughty, M. D., of Augusta, Georgia, 81, 161, 234	An Essay on Blood-letting. By Robert Southgate, A. M. M. D., of Augusta, Ga. 561
A New Mode of Dressing in the Wounds of Amputation. By M. Langier. 136	A Series of Lectures on Rickets. 518, 585, 654
American Contributions to Medical Science. By Prof. L. A. Dugas. 154	Action of Chloride of Zinc as a Caustic. 546
A Clinical Lecture, delivered at the Augusta Hospital, upon the subject of Homeopathy. By Prof. L. A. Dugas. 242	Abortive Treatment of Paronchia. 480
A Case of Threatened Abortion, apparently caused by Malaria. By M. O. Davidson, M. D., Van Buren, Arkansas. 290	American Medical Association, A Successful Operation of Staphyloraphy. By Prof. L. A. Dugas. 582
Another Sovereign Remedy for Ascarides. 480	A Clinical Lecture at the Royal Free Hospital, London, on Delirium Tremens. 703
A Case of Dyspepsia cured with Strychnia. By O. C. Gibbs, M. D., of Frewsburg, N. Y. 298	Anæsthesia and Anæsthetics. 753
A Revolution in Anæsthetics. 304	Advantages of the Use of Glycerine in Surgery. 792
A Practical Treatise on the Diagnosis, Pathology and Treatment of Diseases of the Heart 312	An Air-Plug for the Speculum Uteri. By Henry F. Campbell, M. D. 793
A Few Particulars respecting Woorara. 370	Arsenic Poisoning and Eating. 950
Atropia in Incontinence of Urine. 392	Blood-letting in Disease. 614
American Medical Society of Paris. 399	Bronchitis and Pneumonia. 781
American Contributions to Medical Knowledge. 473	Buttermilk and Longevity. 319
Animal Oils in Fever. 475	Blood-letting in Pregnancy. 352
	British and Foreign Med. Chir. Review. 960
	Comparative Researches on Oleum Morrhuæ, Rajeæ and Squali. 64
	Cataract in Frogs produced by Sugar. 76
	Cauterization of Tumors. 144
	Canstic. 159
	Cancer. 159
	Case of Poisoning by Atropine, 200
	Colicum Pictonum Treatment at La Charite. 224
	Chloroform Vapor in Ear Ache 234
	Contributions to the History of Nervous Diseases of Syphilitic origin. 300
