

INDEX TO VOL. XXI.

	Page
Acute Disease, temperature in.....	586
Aitken's Practice.....	669
American Medical Association.....	602
Amputation, statistics of.....	134
Anatomical subjects, injections, etc.....	521
Anatomical Controversy	72
Apoplexy of medulla.....	678
Axillary artery, ligation of.....	560
Bailey, A. W., on knee joint resec- tion	460
Baxley, J. B., on ligation of axillary.....	560
Bedford's obstetrics.....	665
Bibliographical notices.....	352
Bromide of potass, action of.....	642
Bromide of potass, effects of.....	656
Brown, J. P. H., on protoxide of nitrogen	557
Brown, J. P. H., on diseased teeth.....	299
Bullet probe.....	444
Bullets, searching for.....	493
Cancer, statistics of.....	635
Caustic	445
Cerebral softening.....	676
Children, power to bear disease.....	510
Chloroform, death from	517
Cholera and contagion.....	684
Cholera, contagiousness of.....	346
Cholera.....	146, 159, 357, 365, 561
Conf. States Army, statistics of.....	127
Congenital marks.....	317
Colic in babies.....	506
Con-ervative medicine.....	428
Croup, treatment by insufflation	486
Croup treated by sulphur.....	685
Daniels, W. C., on rice culture.....	151
Daniels, W. C., on introduction of shad	158
Death, sudden in Dentist's chair.....	519
Diabetic gangrene.....	682
Diagnosis, thermometer in	469
Diarrhœa, mercury in.....	561
Disarticulations, statistics of.....	134
Disinfectants, how to use them.....	365
Disinfection, process of	182
Disinfectant, potent.....	685
Doughty, W. H., on ligation of subclavian	30
Doughty, W. H., on physical geo- graphy of ocean.....	369
Doughty, W. H., on medical sta- tistics of C. S. hospitals.....	449

	Page
Deodor vessel.....	686
Dugas, L. A., on suppuration.....	36
Dugas, L. A., on congenital marks.....	317
Dugas, L. A., on fracture of os femoris.....	395
Dugas, L. A., conservative medi- cine.....	428
Dugas, L. A., on surgical pocket case.....	461
Dugas, L. A., crying babies	506
Dugas, L. A., jolting infants.....	509
Dugas, L. A., diseases in children.....	510
Dugas, L. A., infantile fevers.....	593
Dugas, L. A., liver complaints, errors about.....	663
Dysmenorrhœa, incision and dila- tation in	570
Dysentery, mercury in.....	561
Ear, mode of examination of.....	644
Eclampsia, persistent, etc.....	619
Eczema, etiology of.....	680
Editorial.....	164, 428, 500, 593, 660
Epithelial structures.....	529
Epilep-y. bromide of potassium in.....	465
Erysipelas, iodide of potassium in.....	465
Faculty Med. Col. of Ga.....	686
Femur, fracture of.....	135, 141, 148, 395, 397, 609
Femoral aneurism, treatment of.....	630
Fevers, treatise on.....	419
Flint's practice of medicine.....	668
Ford, DeS., on femoral aneurism.....	630
Ford, DeS., on fracture of os fe- moris.....	397
Ford, DeS., on gunshot wound of spinal cord.....	286
Fuugi, action of.....	399
Galvanism, in treatment of ulcers.....	640
Garratt's guide for batteries.....	668
Geddings, Edward, on epithelial structures.....	629
Georgia Medical Association.....	603
Glyeonine.....	683
Gunshot wounds.....	129, 520
Gunshot wounds, ligation of arte- ries in.....	137
Habersham, S. E., on spurious vac- cination	1
Habersham, S. E., on wounds of knee-joint.....	328

Page	Page		
Hamilton, F., on military surgery..	88	Periosteum, preservation of.....	681
Headland, action of medicines.....	668	Petroleum, operation in Alabama...	159
Heart, gunshot wound of.....	520	Petroleum in scabies.....	589
Heart, disease of.....	679	Physician in French Senate.....	686
Herpes circinatus.....	655	Plants, preservation of.....	660
Hodge's obstetrics.....	665	Pneumonia, treatment of.....	220
Hodges's practical dissections.....	667	Porcher, P., suggestions to Medical Department.....	248
Holt, W. J., on treatment of frac- tures of femur.....	609	Potassium, bromide of on nervous system.....	443, 642, 656
Holt, W. P., on persistent eclampsia	619	Potassium, bromide of in epilepsy..	465
Hospital gangrene.....	55	Potassium, iodide of in erysipelas..	526
Humerus, dislocation and reduction of.....	524	Poultices, use and abuse of.....	513
Hygienic experience in New Or.....	77	Prognosis, thermometer in.....	469
Hypodermic injections.....	492		
		Rains, G. W., on malaria, etc.....	305
Infants, new-born, dressing of.....	490	Rains, G. W., on preservation of plants, etc.....	660
Infants, new-born, jolting of.....	509	Rains, G. J., on malaria at Fort Gibson.....	343
Infantile fevers.....	593	Read, J. B., on wounds of large jts..	185
Infeundity, monthly period of.....	576	Rice, culture of.....	151
Ingrowing toe-nail.....	685	Resection, statistics of.....	134
Insanity, treatment of.....	578	Resection, at knee-joint.....	292, 460
Joints, wounds of.....	11, 185	Scabies, treatment of.....	589
Jones, Joseph, on pneumonia.....	220	Sexes, production of at will.....	476
Jones, Joseph, on hospital gang....	55	Shad, in Southern waters.....	158
		Shoulder-joint, dislocation of.....	480
Kidneys, sign in diseases of.....	526	Simpson, on injuries to spleen, etc..	590
Knee-joint, amputation at.....	581	Skin disease, newly discovered.....	650
Knee-joint, penetrating wound of..	328	Soda, hyposul. in malarial fever....	444
Knee-joint, resection of.....	292, 460	Solvent.....	525
		Sorrel, on gunshot wounds.....	129
Legal status of profession in Ga...456		Spinal cord, gunshot wound of.....	785
Liver complaints, errors in relation.	663	Spleen, injuries to.....	590
		Stone, on lithotomy.....	675
Malaria and epidemical diseases....	305	Storer's "Why Not".....	669
Malaria at Fort Gibson.....	343	Strychnia, poisoning by.....	519
Malignant tumors, removal of.....	483	Subclavian artery, ligation of.....	30
Maughs, on fracture of femur.....	141	Sulphur in cramp.....	685
Med. Association of Ga...351, 500, 670		Suppuration.....	36
Medical Society of Augusta, Ga....298		Surgical pocket case.....	461
Medical College of Georgia....181, 527		Syphilis, non-mercurial treat. of....	495
Medical statistics of C. S. hospitals	449, 496	Syphilis from vaccination.....	684
Medical profession, obligations to..	623		
Meigs' obstetrics.....	665	Tanner's index of diseases.....	669
Mercury in cholera, dysentery, etc..	561	Temperature in acute diseases.....	586
Military surgery.....	88, 608	Teeth, diseases of.....	299
Monster.....	515	Thermometer, in diagnosis and prognosis.....	469
		Trichinia and trichinosis.....	584
Navel, bleeding at.....	441	Tubercle, inoculability of.....	518
Neurological notices.....	360		
Nerves, restraining system of.....	631	Vaccination, spurious.....	1, 165
Night blindness in Confed. army...471		Vaccine from Cow.....	180
Nitrate of silver in croup.....	486	Vegetables, preservation of.....	660
North Pacific ocean, geography of..	369		
		War Dep't U. S. A. Circular, No. 4..	100
Opium poisoning, treatment of.....	647	Word, R. C., obligations of public..	623
Organic remains.....	526	Works received.....	184, 368, 446, 607
Oxygen, uses of.....	590	Wounds, absorption of.....	517
Paste to adhere to any substance...499		Zinc, sulphate of in hydrocele.....	444
Patella, fracture of and treatment..	442		
Peritoneal friction sounds.....	592
